

Homepage

SFSU Software Engineering Project CSC 648-848, Spring 2021 For Demonstration Only

The screenshot shows the GatorDash website homepage. At the top, there's a purple header bar with the text "SFSU Software Engineering Project CSC 648-848, Spring 2021 For Demonstration Only". Below the header is a navigation bar with a search icon, a "Cuisine" dropdown menu, a search input field, a magnifying glass icon, and "Login" and "Register" buttons. To the right of the search bar is a shopping cart icon with a plus sign. The main content area has a dark purple background. A large yellow banner at the top says "GatorDash" in bold letters, with the subtitle "Convenient meals delivered or picked up at one's disposal near SFSU." below it. Below the banner, the heading "Restaurants Within SFSU Vicinity" is displayed, followed by the sub-instruction "Select your favorite restaurants to start ordering". There are six restaurant cards arranged in a grid:

- ItalianCusine**
\$\$\$ → Italian
[Daily City Bart, 94132](#)
- MorningClub**

SFSU Software Engineering Project CSC 648-848, Spring 2021 For Demonstration Only

The screenshot shows a web application interface for GatorDash. At the top, there is a purple header bar with the text "SFSU Software Engineering Project CSC 648-848, Spring 2021 For Demonstration Only". Below the header is a navigation bar with a logo, a "Cuisine" dropdown menu, a search bar, a magnifying glass icon, and buttons for "Login", "Register", and a shopping cart icon.

The main content area features a white sign-in form titled "Sign In". It contains fields for "Please enter your email:" and "Please enter your password:", both represented by input boxes. Below these fields is a purple "Sign In" button. To the right of the "Sign In" button is the word "Or" in red. Underneath "Or" is a link "Need a Account? [Register now](#)". There are two additional purple buttons below: "Restaurant Sign In" and "Delivery Sign In".

At the bottom left, there is a footer section with the text "GatorDash © 2021" and links for "Privacy" and "Terms". On the right side of the footer, there is a "About Us" section listing the names of the team members: Bryan Caldera, Denny Feng, John To, Marco Marino, Calvin Tan, and Huan Nguyen.

Restaurant owner registration

The screenshot shows the GatorDash website's homepage with a central sign-up form for restaurant owners.

Header: The top navigation bar includes a search icon, a search input field with placeholder "Search", and a magnifying glass icon. To the right are "Login" and "Register" buttons, and a shopping cart icon.

Form: The main content area features a "Restaurant Owner Sign Up" form. It contains fields for "Full Name" (with a text input), "Email" (with a text input), and "Password" (with a text input). Below these is a checkbox labeled "I accept the terms of service". A large purple "Sign Up" button is at the bottom of the form.

Footer: At the bottom left, it says "GatorDash © 2021" with links to "Privacy" and "Terms". On the right, there is an "About Us" section listing the names of the team members: Bryan Caldera, Denny Feng, John To, Marco Marino, Calvin Tan, and Huan Nguyen.

Deliverer register

The screenshot shows a web application interface. At the top, there is a navigation bar with a logo icon, a "Cuisine" dropdown menu, a search bar containing the placeholder "Search" with a magnifying glass icon, and user account links for "Login" and "Register". There is also a shopping cart icon. Below the navigation bar, a modal window titled "Register To Be A Deliverer" is displayed. The modal contains three input fields with placeholder text: "Please enter your name:", "Please enter your email:", and "Please enter your password: (8 Characters Min. At least 1 letter and 1 digit)". Below these fields is a checkbox labeled "I accept the terms of service". At the bottom of the modal is a purple "Register" button.

Calvin Tan

Hey my name is Calvin Tan and probably like everyone else I am a Computer Science major at SFSU.
With some luck this will also be my last semester.
This will be the first time for me working in a group setting for a CS class, very nervous but excited to learn what I can!
